
**Social and Community Overview
And Scrutiny Work Plan**

2007/08

Cheltenham Borough Council - Our Priorities

The council has agreed that its priorities for the next three years are:

- Promoting sustainable living
- Economic development and regeneration
- Improving environmental quality
- Promoting housing choice

We will also work with partners on two key partnership agendas of;

- Partnership working to promote community safety
- Partnership working to promote healthy communities

We also have an internal priority around being an excellent, efficient and sustainable council
