

Co-option of housing tenant representative to the Social and Community Overview and Scrutiny Committee

At the meeting of Social and Community Overview and Scrutiny on 5th June the appointment of a tenant representative was deferred pending future developments for tenant participation in Cheltenham.

The tenant and leaseholder representatives have now elected an interim subcommittee to act on their behalf and at an initial meeting a new housing tenant representative, Karl Hemming was nominated.

Recommendation that Karl Hemming is appointed non-voting housing tenant representative on the Social and Community Overview and Scrutiny Committee, for a period not exceeding two years.
