Please give a brief description of the purpose of the organisation:			
<p>The organisation exists, primarily, as a building for the production of dramatic works, both plays and musicals by local amateur societies. There is a committee, which meets fortnightly, to administer the building and its activities, and I am invited to attend on an informal basis to attend whenever I wish, or when there is something of major importance to discuss. I also act as a go-between with Council officers as and when required. My strength in this role is that I have been a performer in the Theatre since 1970!!!</p> <p>I am actually a member of the Theatre and Arts Club, which regulars belong to, and as such I do my bi-monthly stint behind the bar (in a voluntary capacity, as do all others.)</p>			
Please give details of activities/achievements/outcomes during the year:			
<p>A programme of productions is available on the website. The auditorium has recently been refurbished, with financial assistance from the Council, which owns the building.</p>
