
Social and Community Overview And Scrutiny Work Plan

2009/10

“Working together to create a great future for Cheltenham

Cheltenham Borough Council - Our Priorities

The nine community aims are:

- > Promoting community safety
- > Promoting sustainable living
- > Promoting a strong and sustainable economy
- > Building healthy communities and supporting older people
- > Building stronger communities and supporting housing choice
- > A focus on children and young people
- > Investing in environmental quality
- > Investing in travel and transport
- > Investing in arts and culture

Along with the nine community aims, we have the additional aim to focus our internal work, bringing the total to ten:

- > Being an excellent, efficient and sustainable council
