Current Year Charges - 2009/2010		Revised 31.03.10 Target 2009/2010		Comments
Period	Current Balance Outstanding As at 31.03.2010	% Collected As at 31.03.2010	31.03.10 Target 2009/2010	
Including 2009 amount deferred under Business Rates Deferral Scheme	£1,009,585	97.7%	98.5%	A number of businesses applied to defer a portion of their 2009 business rates when the deferral scheme was introduced. Half of the amount deferred is payable in 2010-2011 and the remainder in 2011-2012. If the total amount deferred is deducted from the balance outstanding at 31 March 2010 the collection rate is 98.4% which is higher than at the same time last year and higher than the revised target of 98.30%.
Excluding 2009 amount deferred under Business Rates Deferral Scheme	£645,358	98.41%
