Risk ref

If the risk is already recorded, note either the corporate risk register or TEN reference

Risk Description

Please use "If xx happens then xx will be the consequence" (cause and effect). For example "If the council's business continuity planning does not deliver effective responses to the predicted flu pandemic then council services will be significantly impacted."

Risk owner

Please identify the lead officer who has identified the risk and will be responsible for it.

Risk score

Impact on a scale from 1 to 4 multiplied by likelihood on a scale from 1 to 6. Please see risk <u>scorecard</u> for more information on how to score a risk

Control

Either: Reduce / Accept / Transfer to 3rd party / Close

Action

There are usually things the council can do to reduce either the likelihood or impact of the risk. Controls may already be in place, such as budget monitoring or new controls or actions may also be needed.

Responsible officer

Please identify the lead officer who will be responsible for the action to control the risk.

For further guidance, please refer to the risk management policy

Transferred to risk register

Please ensure that the risk is transferred to a live risk register. This could be a team, divisional or corporate risk register depending on the nature of the risk and what level of objective it is impacting on.
