**Standards Committee Work-plan 2009/2010
As at March 2009**

	Action	Target Date	Status
1.	Organise Standards Committee Forum	tba	As CBC has now organised this event for 2 years in a row and it requires a considerable amount of organisation, PL has approached Tewkesbury Borough Council to see whether they could organise it in 2009. The County Member development group had offered to fund the event using £5000 LIFT SW funding but this opportunity has probably now passed.
3.	Investigate and, if possible, undertake 'Ethical Health Check'	tba	Ethical governance toolkit to be used and a growth bid will be submitted for funding for an independent body to carry out the review. Results to be fed back to the Standards Committee and the Corporate Governance Group.
4.	Pursue possible joint arrangements with other Standards Committees	2009	Not been ruled out but councils currently focussing on setting up local procedures and protocols.
