Update to Officer Report

1. OFFICER COMMENTS

- 1.1. Members are advised that on 19th October 2022, the applicant submitted a Sustainability Statement/Checklist in support of their application.
- 1.2. The submitted statement and measures set out (alongside the limitations imposed by the temporary nature of the proposals) have been considered carefully by officers but these do not not address the concerns raised previously or alter the officer recommendation to refuse.
