<https://democracy.cheltenham.gov.uk/ieListDocuments.aspx?CId=359&MID=3664#A124449>

This supplementary note corrects a factual error in the officer's report in relation to the application for a renewal of an existing Sexual Entertainment Venue Licence.

At paragraph 3.9 of the officer's report, the report states, in relation to the premises, known as r Under the Prom, 109 Promenade, Cheltenham, GL50 1NW:

*"In relation to this application the licensing authority **received 36 objections and 50 emails/letters of support** from residents and others during the statutory consultation period. Copies of these are attached at ANNEX 2 (along with attachments at ANNEXES 2 i and ii) and 3 respectively."*

This supplementary note corrects the error in the report to state and confirm:

*"In relation to this application the licensing authority **received 12 objections and 48 emails/letters of support** from residents and others during the statutory consultation period. Copies of these are attached at ANNEX 2 (along with attachments at ANNEXES 2 i and ii) and 3 respectively."*
