## 15.5 Festival Village

### Description

Festival Village will be a busy, yet tranquil mixed-use area with a focus on education, arts and culture. Workspace buildings around a neighbourhood square - Festival Square - with attractive ground floor retail, f&b, exhibition, and community spaces will make it a vibrant part of the masterplan. A second mobility hub will serve as a community resource, delivering car clubs, bike hubs and storage, modal shifts, EV charging, and small-scale commercial uses. A range of housing typologies will offer options for varied domesticity and intergenerational living.

## Description

Hatherley Gardens will be designed to be a wonderful place to live around a linear park, with links to the Spine route and the existing communities to the east.

The neighbourhood will comprise a mix of high-quality townhouses and apartment blocks with ground floor uses. The buildings will be designed to capitalise on views to the south, and convenient access to a rich wetland meadow by Hatherley Brook.
