**Public Questions (4)**

<b>1.</b>	<b>Question from Mary Nelson to the Cabinet Member Development and Safety, Councillor McKinlay</b>
	By allocating £2 million of the £8 million North Place sale proceeds, are you acknowledging at the same time as making this decision that the only way Boots Corner can become a new Public Square and thus merit that much money being spent on it, is by the implementation of the new bus lane across the front of Boots shop, and that this requires the removal of the pedestrian crossing?
	<b>Response from Cabinet Member Development and Safety</b>
	<a href="#">Add response here</a>
<b>2.</b>	<b>Question from Mary Nelson to the Cabinet Member Development and Safety. Councillor McKinlay</b>
	By proceeding to allocate money for the creation of a new public square at Boots Corner (within the context of a 'Key' decision) do you consider that all the implications of such a potentially dangerous 'Shared Space', which is what it must become, have been properly investigated and considered by both CBC and GCC, especially the impact on those in the Equality groups, which includes the elderly and young, as well as those with impairments?
	<b>Response from Cabinet Member Development and Safety</b>
	<a href="#">Add response here</a>
<b>3.</b>	<b>Question from Ken Pollock to the Leader of the Council, Councillor Jordan</b>
	If this undisclosed building cannot be occupied straight away by CBC, what is the overriding need to take the building off the owners' hands (and in such sudden haste) <u>eight years</u> before the 'main lessee' disappears?
	<b>Response from the Leader of the Council</b>
	<a href="#">Add response here</a>
<b>4.</b>	<b>Question from Ken Pollock to Cabinet Member Finance, Councillor Rawson</b>
	In Appendix 2, you claim it to be a "prudent view" to assume a "ground rental from a redeveloped site of £175k per annum". What are the <u>capital</u> costs of effecting that 'redevelopment', and what are the timescales?
	<b>Response from the Leader of the Council</b>
	<a href="#">Add response here</a>
