	LOBO Loans - If £7m of these loans is recalled by the banks if they choose to exercise their option then we would need to have the resources on the day to repay. Alternative borrowing arrangements at today's current rates would be favourable for the Council	Section 151 Officer Paul Jones	24 th January 2012	1	2	2	Accept	If the loans are recalled the council could take out temporary borrowing which is currently much lower than the rates on these loans. Any capital receipts available could also be used to repay debt.	March 2017	Section 151 Officer Paul Jones
