Motion for Council 11th September 2018

Proposed by Cllr Max Wilkinson

Seconded by Cllr Flo Clucas

This Council notes:

- The recent warnings from multinational businesses based in the south west, including Airbus and Honda, that exiting the EU customs union will be a catastrophe for trade and may lead them to relocate their manufacturing outside of the UK.
- The number of Cheltenham citizens working for businesses that rely on free movement of trade within the European Union.
- That, according to the Government's own figures, under all Brexit scenarios the UK will be considerably worse off, not only in terms of international reputation but also the negative social, environmental and economic impact it will have on the people of Cheltenham.

This Council therefore agrees that there should be a 'people's vote' on the final Brexit deal, which should include an option for the United Kingdom to remain a full member of the European Union.
