### 1. Introduction

- 1.1 On 31<sup>st</sup> October 2020 the Government announced a 4 week period of national restrictions due to the COVID-19 pandemic.
- 1.2 At the same time the Government announced funding would be provided to Councils for both a national and a local business grant scheme.
- 1.3 The Local Restrictions Support Grant (Closed) scheme provides for business grants where local tier 3 restrictions are in place and together with The Local Restrictions Support Grant (Closed) Addendum forms the national scheme for the period of restrictions commencing 5<sup>th</sup> November. The scheme will apply to businesses that are business ratepayers required by law to close whilst the restrictions are in place.
- 1.4 The types of business rate payers that will be eligible are those required by law to close and will include shops selling non-essential items, pubs, bars, restaurants, hairdressing and beauty salons
- 1.5 To be eligible the businesses must be closed for the whole period that the restrictions apply. There is also a requirement for businesses to complete an application form and provide certain information. Cheltenham has received funding of £2,349,522 for national scheme grants in respect of the 4 week period of national restrictions commencing on 5<sup>th</sup> November 2020. The Government will top up this funding if it is insufficient to pay all eligible businesses. Any unspent funds will need to be returned to Government
- 1.6 The levels of grant payment to businesses are as follows:
- Businesses occupying properties with a rateable value of exactly £15,000 or under on 5th November 2020 will receive a payment of £1,334 per 28-day qualifying restriction period
  - Businesses occupying properties with a rateable value of over £15,000 and less than £51,000 on 5th November 2020 will receive a payment of £2,000 per 28-day qualifying restriction period
  - Businesses occupying properties with a rateable value of exactly £51,000 or above on 5th November 2020, will receive a payment of £3,000 per 28-day qualifying restriction period
- 1.7 The Government has also introduced a national scheme for Sector businesses which are business ratepayers required to close continually since 23 March 2020. These are nightclubs, dancehalls and sexual entertainment venues.
- 1.8 The sector scheme comes into effect from 1<sup>st</sup> November. Eligible businesses will qualify for the grants as detailed in 1.7 above for the period national restrictions are in place. They will also qualify for a pro-rata payment for the period 1<sup>st</sup> November to 4th November 2020. Once the national restrictions end they will be entitled to a payment equal to half the relevant amount in 1.7 above per 14 days whilst restrictions on the Sector businesses remain in force.
- 1.9 Funding for the Sector scheme has not yet been determined but a very small number of businesses in Cheltenham will qualify for a payment under this scheme.
- 1.10 The application form for the national scheme including sector businesses is now available on the Council's website for eligible businesses to complete.
- 1.11 Cheltenham has received funding of £2,326,120 for the Additional Restrictions Grant

which is the local discretionary scheme.

### **2. The Local Discretionary Business Grant Scheme**

- 2.1** Funding for the Additional Restrictions Grant (the local discretionary scheme) has been provided to Councils to support businesses severely impacted by the period of national restrictions commencing 5<sup>th</sup> November 2020 and for any further period of national or local tier 3 restrictions in 2020/21 and 2021/22. Cheltenham has received £2,326,120.
- 2.2** Government has not specified the types of businesses Councils should support through this scheme but suggest that consideration could be given to businesses forced to close that are not ratepayers, businesses not forced to close but severely impacted by the restrictions and businesses that supply the retail, hospitality and leisure sectors.
- 2.3** Business grants through this scheme can be awarded to both ratepayers and non-ratepayers, provided they have been impacted by the restrictions.
- 2.4** The Discretionary Business Grant Scheme in Appendix 2 sets out the Council's approach to awarding grant funding in respect of the period of national restrictions commencing 5<sup>th</sup> November 2020.
- 2.5** Although it is not possible to support every business impacted by the restrictions the scheme is aimed at supporting local businesses in Cheltenham that are either forced to close, or if able to continue trading, will be severely impacted.
- 2.6** Categories of businesses included in the scheme are
- Local businesses forced to close but not ratepayers so not included in the national scheme.
  - Local business rate payers that are shops or food and beverage outlets that have closed
  - Local business rate payers that are shops or food and beverage outlets that have opened but severely impacted by reduced trade
  - Local businesses that supply the retail, leisure and hospitality sector that have been severely impacted.
  - Local business ratepayers in manufacturing/storage/warehousing premises which includes a small retail element.
- 2.7** The eligibility criteria for each category is detailed in Appendix 2 but to be eligible all businesses must be business ratepayers or paying rent or mortgage for the business premises they occupy.
- 2.8** Approval is being sought to a further category of business should this be necessary.
- 2.9** As some of the funding needs to be retained for any future period of national or local tier 3 restrictions in 2020/21/ and 2021/22 £1 million is being allocated for this scheme in respect of the national period of restrictions commencing on 5<sup>th</sup> November 2020.
- 2.10** This ensures that support is provided to our local independent businesses now to help them stay in business after the current restrictions end.
- 2.11** Councils are able to use Additional Restrictions Grant funding to top up national scheme grants paid to businesses. This option is not being included in Cheltenham's scheme in

appendix 2.

**2.12** The amount of grant paid will be as follows:

- Businesses occupying properties with a rateable value, or paying rent or mortgage per annum, of exactly £15,000 or under on 5th November 2020 will receive a payment of up to £1,334
- Businesses occupying properties with a rateable value, or paying rent or mortgage per annum, of over £15,000 and less than £51,000 on 5th November 2020 will receive a payment of £2,000
- Businesses occupying properties with a rateable value, or paying rent or mortgage per annum, of exactly £51,000 or above on 5th November 2020, will receive a payment of £3,000

**2.13** An on-line application form will be available on the Council's website once software is provided by our suppliers. Due to the complexities of the schemes applying to future periods of national and local restrictions with differing rules the national scheme is being given priority.

**2.14** Funding for this grant scheme is being limited and therefore it will only be open for businesses to apply for a maximum period of 14 days from the date the application form is made available on the Council's website.

**2.15** Applications will be assessed in date order as they are received. If the total sum allocated is nearing £1 million with applications outstanding, these applications will be assessed in order of the date received and once £1 million has been allocated the remaining applications may need to be rejected.

**2.16** A revised scheme will be prepared in respect of any future periods of restriction aimed at supporting those business sectors most affected.

### **3. Alternative options considered**

**3.1** None. The Government has made the funding available for Councils to provide support to business

### **4. Consultation and feedback**

**4.1** The six Gloucestershire districts have worked collaboratively to ensure some consistency across the county. There are some different local priorities but all are supporting businesses supplying the retail, leisure and hospitality sector.

### **5. Performance management – monitoring and review**

**5.1** The number of businesses eligible for grants and the amounts paid will be recorded in the Revenues and Benefits system. The amount of funding allocated will be closely monitored.

5.2 The Department for Business, Energy & Industrial Strategy (BEIS) will require a weekly report on progress in administering grant payments under this scheme and may publish the information.

## **1.0 Purpose of the Scheme and background.**

- 1.1 The purpose of this document is to determine eligibility for a payment under the Council’s Additional Restrictions Grant Scheme (ARG). The Council, as the Business Rates Billing Authority is responsible for payment of these grants.
- 1.2 This discretionary grant scheme has been developed by the Council in response to an announcement made by the Secretary of State for Business, Energy & Industrial Strategy made on 31<sup>st</sup> October 2020. The announcement set out the basic circumstances whereby an additional restriction grant payment can be made by the Council to a business which has to close or is severely affected due to localised or widespread national restrictions being put in place to manage coronavirus and save lives.
- 1.3 Whilst the awarding of grants will largely be at the Council’s discretion, the Department for Business, Energy & Industrial Strategy (BEIS) has set down criteria which **must** be met by each business making an application.
- 1.4 This scheme applies for the period of national restrictions commencing 5th November 2020.
- 1.5 National restrictions are nationally binding widespread restrictions imposed by Parliament under legislation. The current national restrictions are made under the Health Protection (Coronavirus, Restrictions) (England) (No.4) Regulations 2020.
- 1.6 No grant shall be paid for any period prior to 4<sup>th</sup> November 2020.

## **2.0 Funding**

- 2.1 Under the Additional Restrictions Grant Scheme (ARG) provisions, Local Authorities will receive a one-off lump sum payment amounting to £20 per head in each area to be used when local restrictions (LCAL3) or widespread national restrictions are imposed in 2020/21 and 2021/22.
- 2.2 Once the Council’s area is removed from local restrictions (LCAL3) or widespread national restrictions, no additional funding will be received from Government even if either the local restrictions or widespread national restrictions are re-instated.

## **3.0 Eligibility criteria and awards**

- 3.1 The Council is able to use this funding for business support activities and Government envisage that this will primarily take the form of discretionary grants.

- 3.2 If Local Authorities use the Additional Restriction Grant for direct business support grants, Government has stated that the same conditions of grant **must** apply as for the Local Restrictions Support Grant (Closed) scheme. However, the Council has the discretion to alter the amount of funding offered to individual businesses and the frequency of payment.
- 3.3 Government has stated that the Council *may* also consider making grant payments to those businesses which, while not legally forced to close are nonetheless severely impacted by the restrictions put in place to control the spread of Covid-19. Government has also stated that the Council may also wish to assist businesses which are outside of the rating system and which are effectively forced to close.

## Eligibility Criteria

- 3.4 For the purposes of this scheme the Council has decided that the following eligibility criteria must be met in order to receive an Additional Restrictions Grant:
