

CABINET MEMBER DECISION REPORT FORM

1. Decision made

Setting Fees for Scrap Metal Dealers Licences

2. Identity of the Decision Maker

Executive Director, Grahame Lewis

3. Date of Decision

10 Sep 2013

4. Reasons for Decision

The Scrap Metal Dealers Act 2013 introduces a new licensing regime for scrap metal dealers and motor salvage operators. Most of the Act's provisions are due to commence on 1 October 2013 by which time the Council must be ready to accept and determine applications.

Section 5 and paragraph 6 of Schedule 1 will commence on 1 September to enable the Council to set the appropriate fee in advance of 1 October.

5.

Consultation undertaken

Consultation was undertaken with One Legal, HR, finance and the Lead Cabinet Member for Housing and Safety

6. Results of Consultation

Proposed fees should be adopted and is based on cost recovery as outlined in the covering report.

7. Alternative options considered and rejected

If the Council does not set the proposed fees the Council will be unable to fully recover its costs in relation to the administration and regulation of the new licensing regime and will not be in a position to determine applications by the 1st of October 2013.
