

PETITION

Cheltenham Borough Council
Environment Group

TO THE CHELTENHAM PLANNERS

We have been informed that a planning proposal has been submitted to build 29 houses on the Leckhampton Industrial Estate, Leckhampton Road.

REC'D
28 MAY 2013

| | |
|-------------------|------------------|
| Date of Response | Type of Response |
| Name of Responder | Ref. |

Please sign this petition to object on the following points -

- The Sport Connection established since 1987 will be forced to stop trading, as a result the valuable service it provides to the local area will cease.
- There will be no other gym within walking distance for members including teenagers, over 50's, the elderly and those in recuperative training.
- There would be no comparable facility with parking south of the town centre.
- Loss of jobs for those employed at the gym and on the rest of the site.
- Dangerous volume increase of traffic for the area.

INCREASE IN TRAFFIC WOULD BE DANGEROUS. WHAT

INDUSTRY?

It will damage to environment.
We have to protect environment.

I'd hate to see this gym closed. It is important to local economy
therefore.
Important to keep local from business going.

PETITION

TO THE CHELTENHAM PLANNERS

We have been informed that a planning proposal has been submitted to build 29 houses on the Leckhampton Industrial Estate, Leckhampton Road.

Please sign this petition to object on the following points -

- The Sport Connection established since 1987 will be forced to stop trading, as a result the valuable service it provides to the local area will cease.
- There will be no other gym within walking distance for members including teenagers, over 50's, the elderly and those in recuperative training.
- There would be no comparable facility with parking south of the town centre.
- Loss of jobs for those employed at the gym and on the rest of the site.
- Dangerous volume increase of traffic for the area.

Petition Cheltenham Planning

Name Date of Birth Address Signed

[Redacted] 18 SANDY LANE [Redacted]

I am a local resident and have been made aware of the potential change of use to the Leckhampton Ind Estate.

I object to the change for the reasons prioritised below.

Priority

I wish to continue to use a local Gym which is within walking/cycling distance of my home/work _____

1

Sport Connection has been here since 1987. There would be no comparable facility with parking south of the town centre _____

2

I enjoy having a private health club who is conscious of the needs of the over 50's near to home/work _____

3

OTHER: It provides health & fitness area to a large number of local residents old & young. We are being told to do more exercise but when they close it down!!!

4

PETITION

TO THE CHELTENHAM PLANNERS

We have been informed that a planning proposal has been submitted to build 29 houses on the Leckhampton Industrial Estate, Leckhampton Road.

Please sign this petition to object on the following points -

The Sport Connection established since 1987 will be forced to stop trading, as a result the valuable service it provides to the local area will cease.

There will be no other gym within walking distance for members including teenagers, over 50's, the elderly and those in recuperative training.

There would be no comparable facility with parking south of the town centre.

Loss of jobs for those employed at the gym and on the rest of the site.

Dangerous volume increase of traffic for the area.

PETITION

TO THE CHELTENHAM PLANNERS

We have been informed that a planning proposal has been submitted to build 29 houses on the Leckhampton Industrial Estate, Leckhampton Road.

Please sign this petition to object on the following points -

- The Sport Connection established since 1987 will be forced to stop trading, as a result the valuable service it provides to the local area will cease.
- There will be no other gym within walking distance for members including teenagers, over 50's, the elderly and those in recuperative training.
- There would be no comparable facility with parking south of the town centre.
- Loss of jobs for those employed at the gym and on the rest of the site.
- Dangerous volume increase of traffic for the area.

I am concerned about the loss of jobs caused by the closing of businesses which cannot relocate. _____

24 hour traffic in and out of the estate is more obtrusive than the present ruling (9.00pm closing on weekdays and 2.00pm weekends) _____

I enjoy having a private health club who is consious of the needs of the over 50's near to home/work _____

I am concerned that 29 Houses may create up to 50 vehicles using one dangerous access (numerous accidents and a fatality) _____

Dangerous drop off for children visiting the Scout Hall forced to Leckhampton road if the estate closes. _____

Sport Connection has been here since 1987. There would be no comperable facility with parking south of the town centre _____

24 hour traffic in and out of the estate is more obtrusive than the present ruling (9.00pm closing on weekdays and 2.00pm weekends) _____

E

I enjoy having a private health club who is consious of the needs of the over 50's near to home/work _____

B

I am concerned that 29 Houses may create up to 50 vehicles using one dangerous access (numerous accidents and a fatality) _____

G

Dangerous drop off for children visiting the Scout Hall forced to Leckhampton road if the estate closes. _____

F

Sport Connection has been here since 1987. There would be no comperable facility with parking south of the town centre _____

A

OTHER: Losing a community that promotes health and fitness for housing
I feel is a great shame as I know that with the gym closing
many members especially the elderly will not join a new gym,
a real shame as it is so benyefical for the physical as well as
mental well being.

A

OTHER: Sports Connection is a friendly gym - cost effective also.

The potential ^{change of} use to the Leckhampton Industrial estate would be a huge personal loss + a great loss to the local community.

→ The starting point for such a planning application, which will involve the loss of both employment and established employment uses, is the Cheltenham Borough Local Plan (adopted 2006) which remains part of the adopted Development Plan. The CBLP seeks to protect such employment uses + local facilities. Accordingly the proposed ~~established development~~ is contrary to the Local Plan and adopted policy.

→ Whilst it is recognised that paragraph 49 of the NPPF ~~also~~ to housing land supply and in the absence of sufficient supply of deliverable housing such applications should be considered favourably ~~the~~ ~~cases~~ ~~AND~~ ~~where~~ ~~no~~ ~~does~~ ~~so~~ ~~would~~ ~~outweigh~~ ~~the~~ ~~benefit~~. In this case the harm caused by the loss of a valuable community facility (with potential of in excess of 1000 members) is a material consideration of VERY SUBSTANTIAL WEIGHT. Accordingly the presumption ~~is~~ in favour of sustainable development (NPPF para 16) does not apply in this case. Planning permission should be refused accordingly.

ENVIRONMENT

PETITION

TO THE CHELTENHAM PLANNERS

We have been informed that a planning proposal has been submitted to build 29 houses on the Leckhampton Industrial Estate, Leckhampton Road.

Recd - 7 JUN 2013

ENVIRONMENT

Please sign this petition to object on the following points -

The Sport Connection established since 1987 will be forced to stop trading, as a result the valuable service it provides to the local area will cease.

There will be no other gym within walking distance for members including teenagers, over 50's, the elderly and those in recuperative training.

There would be no comparable facility with parking south of the town centre.

Loss of jobs for those employed at the gym and on the rest of the site.

Dangerous volume increase of traffic for the area.
