Dear Councillor

**Cheltenham Borough Council Financial Statements for the year end 31
March 2014 -
Understanding how the Members gains assurance from management**

To comply with International Auditing Standards, we need to establish an understanding of how Members gain assurance over management processes and arrangements.

I would be grateful, therefore, if you could write to me in your role as Chair of the Audit Committee with your responses to the following questions.

- 1 How does the Audit Committee oversee management's processes in relation to:
 - carrying out an assessment of the risk the financial statements may be materially misstated due to fraud or error
 - identifying and responding to the risk of breaches of internal control
 - identifying and responding to risks of fraud in the organisation (including any specific risks of fraud which management have identified or that have been brought to its attention, or classes of transactions, account balances, or disclosure for which a risk of fraud is likely to exist)
 - communicating to employees its views on appropriate business practice and ethical behavior (for example by updating, communicating and monitoring against the codes of conduct)?
- 2 Do you have knowledge of any actual, suspected or alleged frauds? If so, please provide details.
- 3 How does the Audit Committee gain assurance that all relevant laws and regulations have been complied with?
- 4 Are you aware of any actual or potential litigation or claims that would affect the financial statements?

We suggest that it would be useful to co-ordinate and discuss the Members' and management responses at the next Audit Committee meeting on 18 June 2014.

As always, please do not hesitate to contact me if you wish to discuss anything in relation to this request.

Yours sincerely
