## Update to Officer Report

### 1. OFFICER COMMENTS

- 1.1 Paragraph 1.1 of the Committee report states: *The application site comprises an area of land within the Gallagher Retail Park, adjacent to unit K which is currently in use as Carpet Right but which has consent to be converted into several smaller units to be used as a café, bakery etc.*
- 1.2 This is not wholly accurate. Unit K is intended to remain in use as Carpet Right. Unit J which is on the other side of that unit has consent, which is currently being implemented, to convert to 4 smaller units for use as bakery, café etc.

### 2. CONCLUSION AND RECOMMENDATION
