Subject: Representation for Premises Licence at Mamma's Kitchen, 10 Bennington Street

To whom it may concern,

I write to formally oppose the grant of a Premises Licence to Mamma's Kitchen of 10 Bennington Street, Cheltenham, Gloucestershire, GL50 4ED.

The objectives to which I base this appeal on relate to

- 1) The Prevention of Public Nuisance, and
- 2) The Prevention of Crime and Disorder

Having been a resident of Bennington Street for the past 3 and a half years I have found the area to be a peaceful and safe place to live but feel that the provision of a premises licence to the above named property may jeopardise this.

On the point of Public Nuisance, my partner and I both have full time jobs in the area and have to get up early each morning; we feel that the loud music and socialising at such a late hour will affect our sleep which may in turn affect our health. Bennington Street is a residential area with many houses and flats and therefore, feel it is not the right environment for such activities to take place.

On the point of Crime and Disorder, my partner and I are concerned regarding vandalism that may be inflicted upon not only our property, but the premises occupied below our flat owned by family, our vehicle that is kept in the street as well as litter such as food and bottles that may be disposed of in our garden. Drinking access gained by the provision of the Premises licence may become the spark for such occurrences due to drunkenness.

We hope very much that you take our concerns on board and are happy to respond to any questions you or the party in question may have,

Yours sincerely,

Adam West
