Understanding your business

In planning our audit we need to understand the challenges and opportunities the Council is facing. We set out a summary of our understanding below.

1. Alternative Delivery Models

- The Council has a number of initiatives aimed at improving service delivery whilst minimising costs and delivering efficiencies, including the "Bridging the Gap" programme
- These initiatives include the use of alternative delivery models, and have resulted in the creation of Ubico, and more recently The Cheltenham Trust

Challenges/opportunities

2. LG Finance Settlement

- The provisional local government spending settlement showed the core government funding that the Council receives would reduce by 14% in 2015-16
- The Council is having to identify a number of ways to fill the 2015-16 budget gap, doing everything possible to protect frontline services without the need to increase council tax

3. 2020 Vision

- The Council is considering a longer term plan the 2020 Vision – as one of the means to bridge the medium term funding gap
- The plan provides a model for four Councils to work in a more joined-up way, whilst retaining their own decision making powers and political independence
- Through this programme, the Councils hope to achieve significant savings for all parties

- We will consider the accounting treatment of transactions with The Cheltenham Trust for appropriateness
- We will carry out our audit of Ubico during our audit of your group financial statements
- We will consider the effectiveness of the partnership arrangements during our work on the VfM conclusion
- We will offer guidance on future projects where it is appropriate to do so

 We will review your Medium Term Financial Plan and financial strategy as part of our work on your arrangements for financial resilience

Our response

• We will also review the 2015-16 budget setting process to inform our VfM conclusion

• We will continue to discuss plans with management and offer our views on them where appropriate to do so

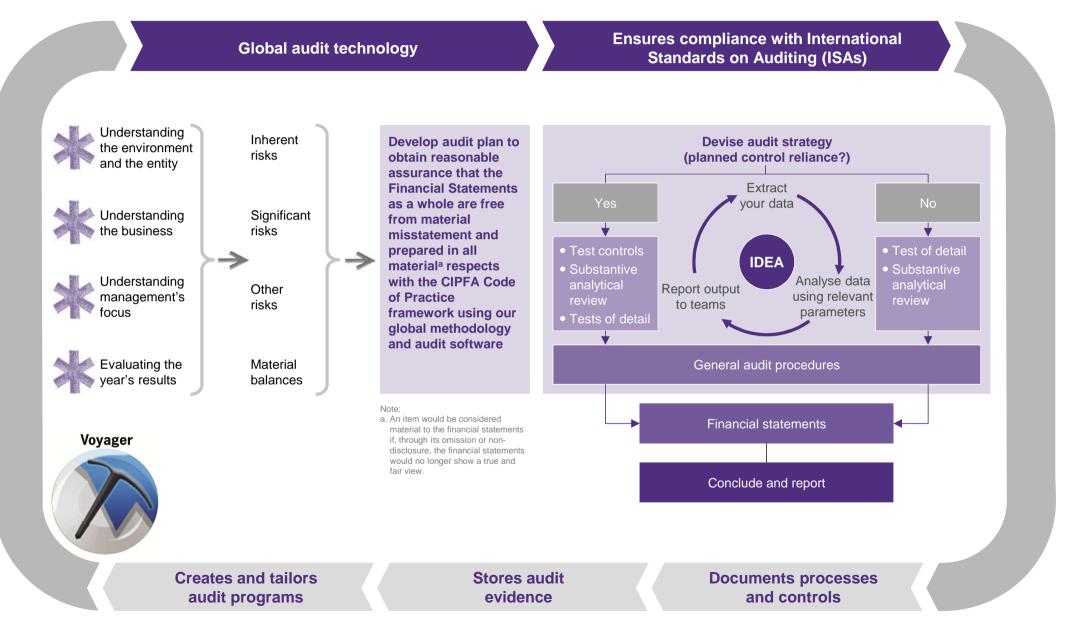

Developments relevant to your business and the audit

In planning our audit we also consider the impact of key developments in the sector and take account of national audit requirements as set out in the Code of Audit Practice ('the code') and associated guidance.

Developments and other requirements					
 1.Financial reporting Changes to the CIPFA Code of Practice Adoption of new group accounting standards (IFRS 10,11 and 12) 	 Legislation The Accounts and Audit Regulations 2015 were laid before Parliament 17 February 2015 	 3. Corporate governance Annual Governance Statement (AGS) Explanatory foreword 	 5. Financial Pressures Managing service provision with less resource Progress against savings plans 	 6. Other requirements The Council is required to submit a Whole of Government accounts pack on which we provide an audit opinion The Council completes grant claims and returns on which audit certification is required 	
		Our response			

 We will ensure that the Council complies with the requirements of the CIPFA Code of Practice through discussions with management and our substantive testing the group boundary is recognised in accordance with the Code and joint arrangements are accounted for correctly 	 We will discuss the impact of the legislative changes on future accounting periods with the Council through our regular meetings with senior management and those charged with governance, providing a view where appropriate 	 We will review the arrangements the Council has in place for the production of the AGS We will review the AGS and the explanatory foreword to consider whether they are consistent with our knowledge We have already shared best practice examples from other authorities to assist the Council in the production of their AGS 	 We will review the Council's performance against the 2014/15 budget, including consideration of performance against the savings plan We will undertake a review of Financial Resilience as part of our VfM conclusion 	 We will carry out work on the WGA pack in accordance with requirements We will certify the housing benefit subsidy claim in accordance with the requirements specified by Public Sector Audit Appointments Ltd. This company will take over the Audit Commission's responsibilities for housing benefit grant certification from 1 April 2015.

Our audit approach

Significant risks identified

'Significant risks often relate to significant non-routine transactions and judgmental matters. Non-routine transactions are transactions that are unusual, either due to size or nature, and that therefore occur infrequently. Judgmental matters may include the development of accounting estimates for which there is significant measurement uncertainty' (ISA 315).

In this section we outline the significant risks of material misstatement which we have identified. There are two presumed significant risks which are applicable to all audits under auditing standards (International Standards on Auditing – ISAs) which are listed below:

Significant risk	Description	Substantive audit procedures
The revenue cycle includes fraudulent transactions	Under ISA 240 there is a presumed risk that revenue may be misstated due to the improper recognition of revenue. This presumption can be rebutted if the auditor concludes that there is no risk of material misstatement due to fraud relating to revenue recognition.	 Having considered the risk factors set out in ISA240 and the nature of the revenue streams at Cheltenham Borough Council, we have determined that the risk of fraud arising from revenue recognition can be rebutted, because: there is little incentive to manipulate revenue recognition opportunities to manipulate revenue recognition are very limited the culture and ethical frameworks of local authorities, including Cheltenham Borough Council, mean that all forms of fraud are seen as unacceptable.
Management over-ride of controls	Under ISA 240 the presumption that the risk of management over-ride of controls is present in all entities.	 Work completed to date: Testing of journal entries in months 1-9 Further work planned: Review of accounting estimates, judgments and decisions made by management Testing of journal entries in months 10-12 and year end adjustments Review of unusual significant transactions

Other risks identified

The auditor should evaluate the design and determine the implementation of the entity's controls, including relevant control activities, over those risks for which, in the auditor's judgment, it is not possible or practicable to reduce the risks of material misstatement at the assertion level to an acceptably low level with audit evidence obtained only from substantive procedures (ISA 315).

In this section we outline the other risks of material misstatement which we have identified as a result of our planning.

Other risks	Description	Audit Approach
Operating expenses	Creditors related to core activities (e.g. supplies) understated or not recorded in the correct period	 Work completed to date: None Further work planned: Documentation of understanding of controls and walkthrough to be completed by the auditor at the Forest of Dean District Council due to the Go Shared Services arrangements Year end testing of creditors balances to subsequent payments to identify any unaccrued expenses
Employee remuneration	Employee remuneration and benefit obligations and expenses understated	 Work completed to date: Documentation and walkthrough of the payroll system controls Trend analysis on months 1-9 payrolls Further work planned Reconciliation of payroll system to general ledger and financial statements Trend analysis on months 10-12 payrolls

Group audit scope and risk assessment

ISA 600 requires that as Group auditors we obtain sufficient appropriate audit evidence regarding the financial information of the components and the consolidation process to express an opinion on whether the group financial statements are prepared, in all material respects, in accordance with the applicable financial reporting framework.

Component	Significant?	Level of response required under ISA 600	Risks identified	Planned audit approach
UBICO Ltd	Yes	Comprehensive	None	Full scope UK statutory audit performed by Grant Thornton UK LLP
Cheltenham Borough Homes Ltd	Yes	Comprehensive	None	Full scope UK statutory audit performed by Grant Thornton UK LLP
Gloucestershire Airport	No	Analytical	N/A	Desktop review performed by GT UK LLP

Value for money

Value for money

The Code requires us to issue a conclusion on whether the Council has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. This is known as the Value for Money (VfM) conclusion.

Our VfM conclusion is based on the following criteria specified by the Audit Commission:

VfM criteria	Focus of the criteria
The organisation has proper arrangements in place for securing financial resilience	The organisation has robust systems and processes to manage financial risks and opportunities effectively, and to secure a stable financial position that enables it to continue to operate for the foreseeable future
The organisation has proper arrangements for challenging how it secures economy, efficiency and effectiveness	The organisation is prioritising its resources within tighter budgets, for example by achieving cost reductions and by improving efficiency and productivity

We will undertake a risk assessment to identify areas of risk to our VfM conclusion. As part of our work we will also follow up progress on any issues discussed with the Council following last years VFM work.

The results of our VfM audit work and the key messages arising will be reported in our Audit Findings report and in the Annual Audit Letter.

Results of interim audit work

The findings of our interim audit work, and the impact of our findings on the accounts audit approach, are summarised in the table below:

	Work performed and findings	Conclusion
Internal audit	We have completed a high level review of internal audit's overall arrangements. Our work has not identified any issues which we wish to bring to your attention. As at our interim audit, no internal audit reports on the Council's key financial systems had been finalised.	Overall, we have concluded that the internal audit service continues to provide an independent and satisfactory service to the Council and that internal audit work contributes to an effective internal control environment at the Council. We will review Cheltenham Borough Council and GO Shared Services Internal audit reports when finalised by Internal Audit.
Walkthrough testing	We have completed walkthrough tests of controls operating in areas where we consider that there is a risk of material misstatement to the financial statements. Our work has not identified any issues which we wish to bring to your attention. Internal controls have been implemented in accordance with our documented understanding.	Our work has not identified any weaknesses which impact on our audit approach.
Entity level controls	 We have obtained an understanding of the overall control environment relevant to the preparation of the financial statements including: Communication and enforcement of integrity and ethical values Commitment to competence Participation by those charged with governance Management's philosophy and operating style Organisational structure Assignment of authority and responsibility Human resource policies and practices 	Our work has identified no material weaknesses which are likely to adversely impact on the Council's financial statements

Results of interim audit work cont'd

	Work performed	Conclusion
Review of information technology controls	Our information systems specialists perform a high level review of the general IT control environment, as part of the overall review of the internal controls systems. A follow up of the issues that were raised in the 2013-14 audit will be undertaken this year.	Information Technology review of controls to be undertaken after agreement of timing with management.
Journal entry controls	We have reviewed the Council's journal entry policies and procedures as part of determining our journal entry testing strategy. We have tested journal entries posted in months 1-9 of the financial year.	We will undertake testing on the remaining 3 months of the year and post year end as part of our final accounts visit.
Early substantive testing	 We completed early substantive testing on the following areas Income transactions months 1-10 Property, plant and equipment disposals months 1-10 Employee remuneration transactions months 1-9 	Our work has identified no material weaknesses which are likely to adversely impact on the Council's financial statements.

Fees and independence

Fees

	£
Council audit	*65,874
Grant certification	12,020
Total fees (excluding VAT)	77,894

*Fee Variation – Business Rates

Following its consultation exercise, the Audit Commission Board has approved a supplementary fee for 2014/15 for audit work required on business rates. This represents a $\pounds 900$ increase to the fee reported in the 2014/15 fee letter presented to the Audit Committee in June 2014.

Our fee assumptions include:

- Supporting schedules to all figures in the accounts are supplied by the agreed dates and in accordance with the agreed upon information request list
- The scope of the audit, and the Council and its activities, have not changed significantly
- The Council will make available management and accounting staff to help us locate information and to provide explanations

Grant certification

- Our fees for grant certification cover only housing benefit subsidy certification, which falls under the remit of Public Sector Audit Appointments Limited, as the successor to the Audit Commission in this area.
- Fees in respect of other grant work, such as reasonable assurance reports, are shown under 'Fees for other services.'

Fees for other services

Service	Fees £
None	Nil

Fees for other services

Fees for other services reflect those agreed at the time of issuing our Audit Plan. Any changes will be reported in our Audit Findings Report and Annual Audit Letter.

Independence and ethics

We confirm that there are no significant facts or matters that impact on our independence as auditors that we are required or wish to draw to your attention. We have complied with the Auditing Practices Board's Ethical Standards and therefore we confirm that we are independent and are able to express an objective opinion on the financial statements.

Full details of all fees charged for audit and non-audit services will be included in our Audit Findings report at the conclusion of the audit.

We confirm that we have implemented policies and procedures to meet the requirement of the Auditing Practices Board's Ethical Standards.

Communication of audit matters with those charged with governance

International Standards on Auditing (ISA) 260, as well as other ISAs, prescribe matters which we are required to communicate with those charged with governance, and which we set out in the table opposite.

This document, The Audit Plan, outlines our audit strategy and plan to deliver the audit, while The Audit Findings will be issued prior to approval of the financial statements and will present key issues and other matters arising from the audit, together with an explanation as to how these have been resolved.

We will communicate any adverse or unexpected findings affecting the audit on a timely basis, either informally or via a report to the Council.

Respective responsibilities

This plan has been prepared in the context of the Statement of Responsibilities of Auditors and Audited Bodies issued by the Audit Commission (<u>www.audit-commission.gov.uk</u>).

We have been appointed as the Council's independent external auditors by the Audit Commission, the body responsible for appointing external auditors to local public bodies in England. As external auditors, we have a broad remit covering finance and governance matters.

Our annual work programme is set in accordance with the Code of Audit Practice ('the Code') issued by the Audit Commission and includes nationally prescribed and locally determined work. Our work considers the Council's key risks when reaching our conclusions under the Code.

It is the responsibility of the Council to ensure that proper arrangements are in place for the conduct of its business, and that public money is safeguarded and properly accounted for. We have considered how the Council is fulfilling these responsibilities.
