Dear Sirs,

Re:- 7, Keynsham Rd., Cheltenham.

I totally object to any type of building being erected next to my property which is a Grade II listed Building for the following reasons:- Invasion of privacy and as I've pointed out in my previous letter when I look out of my windows to the rear of my property I will see a two storey building. I'd also like to mention that this would be setting a precedent for other properties to be changed therefore losing the 1930s heritage of Keynsham Road.

Yours sincerely
