1.	Question from Councillor Tim Harman to Cabinet Member Clean and Green Environment, Councillor Chris Coleman
	Can I welcome the recent leaflet raising awareness with regard to action to reduce the problems that residents have with Urban Gulls. Can I ask if the Cabinet Member is aware of the experiment being carried out by Gloucester City Council and others using a Bird of Prey as a further deterrent. Would he look at this option and see if he would help the situation on Cheltenham?

5.	Question from Councillor Jacky Fletcher to Cabinet Member Finance, Councillor John Rawson
	When the move to the new offices takes place can you tell me what will happen to the historic memorabilia in the Mayor's Parlour? Much of the Town's heritage is displayed here. There are many gifts from our twin

	<p>towns e.g. the Goose Girls from Göttingen, as well as presents from Annecy and many more from other parts of the World.</p> <p>There is the wonderful tapestry donated to the Town, priceless silver, cut glass, the picture of Waterloo, the desk, the clock presented to me when I was mayor and of course The Mace which represents our Queen.</p> <p>All of this is part and parcel of Cheltenham's history and should be enjoyed by all visitors to our offices.</p>
