Who Are We?

“WE ARE SANFDORD PARKS LIDO”

- We are an outdoor heated swimming resort situated in the centre of Cheltenham
- We are the very best and most significant Lido of its kind in Britain and as such we add great value to Cheltenham in terms of tourism and prestige
- The Lido is owned by Cheltenham Borough Council
- It is professionally managed by Charitable Trust which is called Sandford Lido Limited

The Importance of our History

Sandford Parks Lido Opened in 1935 Financed by a Ministry of Health Loan

It Soon Became a Great Visitor Attraction Engaging Tourism From the Midlands and the South West

With Cracks In The Swimming Pool Structure Cheltenham Borough Council Had to Fight to Keep The Lido Open as a Valuable Asset For Cheltenham

Out of the 420 outdoor swimming pools commissioned in Britain only 108 and remain open.

The Lido’s Survival

Sandford Parks Lido is loved by the community and has tremendous public support and this was demonstrated when the public lobbied to ensure its survival in 1995

Cheltenham Borough Council had the foresight to recognise its value so worked with a Dedicated Group Of Volunteers to form a Charitable Trust to secure and Protect Sandford Parks Lido for the future.

How Do We Achieve Our Vision For The Future?

Our commercial growth will come by continuing to increase our seasonal membership growth by providing excellent standards across the organisation in terms of customer safety, customer service and experience improvements to our distinctive facility, such as refurbishing our changing rooms.

Other improvements will be to reduce our energy costs which will support our plan to extend the lido season, we are also currently looking to optimise the facility during the winter months by diversifying our events programme.

We will also continue to commercially grow our business in line with our strategic objectives through the development of events and activities both locally and nationally. Our aim is to develop and promote high quality events.

We will continue to promote health, fitness and wellbeing to our community to attract customers.

We have a high media profile locally and it’s increasing; one nationally which we will continue to utilise to further increase our profile and brand.

“Our Values & What We Can Achieve Together”

The values of Sandford Lido Limited are truly “Not for Profit,” this is an inclusive facility that is here for all to use and enjoy. Our business reputation and popularity has grown tremendously over the last five years both locally and nationally.

We now have a large and significant array of stakeholders who value the lido and referred to it as “their lido” and we are able draw on their voluntary support for our events and activities. We know we have the backing and support of the people of Cheltenham and beyond.

The support we have received from the elected members has allowed this to happen and is key to maintaining our success in the future.

“How Can Cheltenham Borough Council Assist The Lido To Secure its Future As a National Asset”

To ensure we don’t become one of the lost lidos we need Cheltenham Borough Council to extend our current business lease, retaining all current terms and conditions to remove any uncertainty to protect Cheltenham’s Jewel.

“Having proved our credentials over the past 19 years we would like to secure an extension of the current lease for a minimum of 30 years”

“Let’s Work Together To Secure Cheltenham’s Nationally Significant Lido”
