Broadband	Members at the O&S meeting in April asked if a task group might want to look at what and where the issues in relation to slow broadband are in Cheltenham (and possibly Gloucester City if they want to undertake joint scrutiny) and use this information to help lobby GCC and/or BT and Virgin to make improvements.	the task group met for the first time on the 20/10 but after a presentation from Fastershire were unable to agree aims and objectives for th review. Matt Smith from Fastershire would investigate what data he could share with the task group and whether they could in turn share it with the public and the task group would meet again then to discuss a way forward. The task group are still waiting for this informaiton and the One Page Strategy will be tabled with the O&S Committee once the task group have decided what they aim to achieve.
