Dear Sir/Madam

Re: Cheltenham Borough Council, Forden House, Timbercombe Lane – Tree Preservation Order on a Single Tree, 'Birch' (Map Reference: T1) situated to the side of the property adjacent to Cirencester Road dated 12 November 2015

Further to your letter dated 12 November 2015, I am writing to object to the Tree Preservation Order made on a Birch Tree (Map Reference: T1) situated to the side of Forden House adjacent to Cirencester Road as described in the Schedule attached to the aforementioned Tree Preservation Order.

We originally made enquiries with the Planning Department with a view to obtaining Planning Permission to possibly build a dwelling at the side of our house. Unless such Planning Permission is granted, it would not be our intention to cut down or damage the tree in any way.

At the property, we are already in an area populated by a large number of varied and beautiful trees which benefit the local area, we are only seeking to remove one Birch tree should Planning Permission be granted and only in that event.

We look forward to hearing from you regarding our objections.

In the meantime, we attach the acknowledgement confirming receipt of said Order.

Yours faithfully
