Broadband	Members at the O&S meeting in April asked if a task group might want to look at what and where the issues in relation to slow broadband are in Cheltenham (and possibly Gloucester City if they want to undertake joint scrutiny) and use this information to help lobby GCC and/or BT and Virgin to make improvements.	The task group met again in February when they were provided with detailed maps of coverage for Cheltenham and Gloucester by Matt Smith from Fastershire. They are building up a picture of the issues involved and why there is still poor coverage in some areas and the task group will meet again on the 7 April when they will be putting their questions to a representative from BT. Devolution	The Leader asked if O&S would set up a task group to maintain an overview of the ongoing discussions in relation to devolution and explore the opportunities and benefits for Cheltenham.	It became clear in February that the Chancellor would not be making any announcements in his budget statement regarding the Gloucestershire bid so the meeting of the task group planned for the 1 March was cancelled. On the 25 February Leadership Gloucestershire were advised of the Cotswold Unitary bid and the implications of this proposal and the timescales for progressing it are currently being reviewed. Scrutiny will continue to keep a watching brief and the task group will be reconvened when there is a revised way forward to discuss.	Cllrs, tbc, Harman, tbc, Payne, <b>Mason</b> and C. Town Centre issues	The Leader suggested that this was something that a task group may like to look at as it was becoming an increasing issue that CHAC struggled to deal with as most of the people they had approached were in not in fact homeless.	O&S have agreed to set-up a task group to look at Town centre issues. Non-Executive members were invited to volunteer. The Overview and Scrutiny Committee should, at their 27 June meeting, agree draft objectives for the task group.	Cllrs Payne, Savage, C.
