

## Cheltenham Borough Council Community Infrastructure Levy (CIL) Draft Charging Schedule: Proposed Modifications

Changes are highlighted in **bold** with ~~strike-through~~ indicating deletions and underline indicating additions.

Modifications					
	Document Reference/Page/Para Number	Modification			Reason for Modification
MOD 1	CIL Draft Charging Schedule – Table 1.2	Delete the following row from Table 1.2:			Required changes following the Inspector's findings in the JCS Interim Report
			Recommended CIL	Recommended Affordable Housing (AH)	
		Strategic Sites	<del>A6 Leckhampton</del>	<del>£35</del>	
MOD 2	CIL Draft Charging Schedule – Table 1.2	Add a new row in Table 1.2:			Required changes following the Inspector's findings in the JCS Interim Report
			Recommended CIL	Recommended Affordable Housing (AH)	
		Strategic Sites	<u><b>B1 West Cheltenham</b></u>	<u><b>£35 sqm</b></u>	
MOD 3	CIL Draft Charging Schedule – New section to be added after para 1.7.1	Add new section:  <u><b>Calculating the CIL Chargeable Amount</b></u>  <u><b>CIL charges will be calculated in accordance with Regulation 40 of the Community Infrastructure Levy Regulations 2010 as amended.</b></u>			To ensure compliance with the Regulations and relevant CIL legislation.

		<p><b><u>The Community Infrastructure Levy is generally chargeable on the net increase in gross internal floor space of all new development, except:</u></b></p> <ul style="list-style-type: none"> <li>• <b><u>Minor development: that is buildings or extensions where the gross internal area of new build is less than 100m<sup>2</sup>, other than where the development will comprise one or more new dwellings (in which case the new dwellings will constitute ‘Chargeable Development’, irrespective of their size);</u></b></li> <li>• <b><u>Where the CIL chargeable amount is calculated to be less than £50;</u></b></li> <li>• <b><u>Where the development is of buildings into which people do not normally go, or which they go only intermittently for the purpose of inspecting or maintaining fixed plant or machinery;</u></b></li> <li>• <b><u>Where the development is exempt under Part 6 of the CIL Regulations (as amended); or</u></b></li> <li>• <b><u>Where Cheltenham Borough Council as ‘Charging Authority’ has in this schedule applied a £0m<sup>2</sup> rate, based on viability evidence, therefore not levying a charge on that intended development due to its use, location or size.</u></b></li> </ul> <p><b><u>All CIL Liability will be index linked to the Building Cost Information Service (BCIS) All-in Tender Price Index or any other Price Index in accordance with the CIL Regulations (Regulation 40).</u></b></p> <p><b><u>As set out in the Regulations, the calculation of the chargeable amount is based on gross internal area (GIA). The definition of gross internal area is not specified in the Regulations; however, the generally accepted method of calculation is the RICS Code of Measuring Practice (6th edition, 2007).</u></b></p>	
MOD 4	CIL Draft Charging Schedule - Appendix	<p>Addition of <b><u>‘Appendix C – Strategic Allocation Boundaries’</u></b></p> <p><b><u>In accordance with Regulation 12 of the Community Infrastructure Levy Regulations 2010 (as amended), the following maps identify the location and boundaries of the Strategic Allocations identified within the JCS.</u></b></p>	To ensure compliance with the Regulations and relevant CIL legislation.
