I am concerned that the consumption of alcohol with or without music outdoors until 02-00 or 03-00 according to the day of the week will result in noise and disturbance to residents nearby and will constitute a public nuisance.

Please use the box below to suggest any suitable conditions that if agreed in advance of a hearing by the applicant would allow you to withdraw your representation or that the committee could add to the licence (if granted) that would remedy your concern. You may also use this box to enter details of any other matters not commented on elsewhere relating to your representation that you would like the committee to take into account.

(Please continue on a separate sheet if necessary)

I would withdraw my representation if the consumption of alcohol with or without music was confined to INDOORS - INSIDE the premises - after midnight, 00.00 on all days of the week with the windows ^{and doors} closed.

Dear Mr. Cooper,

LICENSING REFERENCE: 17/01399/PRMV (129 - 131 Promenade, Cheltenham)

I wish to object to the proposed change in hours of sale/supply of alcohol, performance of recorded music and late night refreshment until 03.00 Thurs - Sun. I think the present hours are acceptable.

I understand that alcohol will also be available outside in the fenced garden area of 129.

The applicant is in the process of taking over the property on the other side of No 131 and presumably will be making a similar request. There are now three properties adjacent to each other and the noise level will inevitably be considerable.

Re: License Ref 14/01399/PRM 2.9.17
Applicant 131 The Promenade Ltd.

Dear Mr Cooper,

My objection to the above license is
is based on the lateness of outdoor drinking
The extra pressure this will impose on our
Police, who are overstrained already.

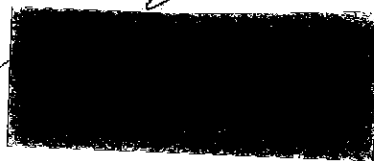

The noise & drunkenness already being exposed
to residents

The reputation of Cheltenham which is
being lowered by drugs, drinking & crime

is personally of a different
is quite different.

129 is a bad corner for traffic attention.

Yours sincerely

Dear Sir,

We are resending our objection because the first copy gave an incorrect address for 131 and it was pointed out that could invalidate our objection.

We would like to object most strongly to the Licensing Application for 129 - 131 The Promenade Cheltenham.

The noise already from these premises is intrusive to us inside our apartment when they have music outside, late at night particularly.

We are not allowed double glazing and it would seem to be unfair to allow late night drinking as suggested in what is, after all, a residential area as well as a commercial area.

The Queens Hotel respect the fact that we actually live here and we have no problem with them but 131 seem unaware of the fact that they cause us a disturbance. The noise from their premises resounds around Imperial Square and the fact that they have a license to serve alcohol until so late is horrific. Considering that they have accommodation themselves to rent it would seem a problem to their guests as well.

We have experienced the lack of consideration for their neighbours first hand and although the big problem is loud, often late night music outside that is fuelled by the availability of alcohol which we would like to be restricted.

We feel that they have applied for a license until so late at night hoping they might get somewhere near that, but we would urge you consider whether with all the other establishments in the town whether it is necessary.

Everybody is entitled to open and run a business and we wish them well but consideration for your neighbours should be a priority. The Queens Hotel have recognised that and are good neighbours.

We really hope you understand our concerns.

Your sincerely,

Lesley and Geoffrey Smith

Re: Licensing Application 17/01399/PRMV (129-131 The Promenade)

Dear Mr Cooper,

We live at 32 Imperial Square, Cheltenham and object to the Application on two grounds:

1. The increase in hours (from 2.00 to 3.00 on Thurs - Sat/Sun) during which alcohol and late night refreshment can be served will increase the noise level late at night for residents in the area. Disturbance is already at an unacceptable level with the current 2.00am deadline - granting a licence which extends the hours to 03.00 will inevitably make things worse.
2. The increase in hours (from 00.00 to 03.00 On Thurs - Sat) for the performance of recorded music may allow music to emit from the premises and consequently disturb the residents in the area. The current midnight deadline may be reasonable but an extension to 3am is too far into the night to be considered reasonable.

Both these objections are all the greater if the alcohol/music is served/played outside the building.

Yours sincerely,

Anthony and Carolyn Swash
