1. Background

- 1.1** The external bodies to which nominations/appointments are made comprise a variety of organisations and groups. A traditional distinction can be drawn between incorporated and unincorporated bodies; the former being distinct legal entities such as companies, having a legal personality and a framework imposing obligations upon those who become involved by appointment; the latter being bodies which, albeit without formal legal foundation, play an important role in representing interests within the local community. Involvement in these unincorporated organisations will often carry few or no legal obligations on those appointed.
- 1.2** In the majority of cases the authority decides who to nominate to the outside body concerned and it is then for that body to decide on whether to accept the nomination and make the appointment. There are some limited exceptions to this, such as Cheltenham Borough Homes, Gloucestershire Airport and the Cheltenham Trust where the Council has the right (by virtue of its interests in those companies) to make the appointments to the boards of directors.

2. Legal context

- 2.1** With regard to outside bodies, whilst nominations/appointments are made on the general basis that the nominee/appointee is the council's representative on the outside body, it is important to note that in many cases the overriding duty is to the outside body. For example, a company director has a primary duty of care towards the company and to act in the best interests of the company as a whole and a trustee must act in accordance with the trust deed and uphold the trust's objectives.
- 2.2** The council is able to indemnify members (and officers) in the course of their activities on outside bodies provided they are acting within the scope of their authority as council representatives. Outside bodies, such as companies, that are legal entities in their own right must have their own appropriate insurance arrangements in place. It is important that members (and officers) clarify the position in each particular case.
- 2.3** Under the executive functions set out in Part 3E of the Council's constitution, the Leader has the power to make nominations/appointments to outside bodies where they relate to an executive function or revoke such nominations/appointments provided there is Group Leader agreement. Where there is not group leader agreement the decision is referred to Council.

3. Nomination/appointment of external persons

- 3.1** Historically the council has nominated/appointed external persons to some outside bodies. On 29th June 2006 Council specifically agreed that 'All nominees are elected Members of Cheltenham Borough Council unless there are exceptional reasons justifying the appointment of a non Member'. Relevant examples of outside bodies to whom external persons have been appointed are; Gloucestershire Airport, Pate's Grammar School Foundation. The reasons for these appointments have been the specialist knowledge skills and experience that have been brought to the outside body and/or the lack of Member nomination to that body.
- 3.2** External persons are not, of course, subject to the Code of Members' Conduct nor are they under any general obligation to act in the best interests of the council or the broader public interest. Also, they are not covered by the council's insurance. Whilst these factors do not prevent the nomination of external persons they should be borne

in mind when considering whether to make such nominations/appointments.

- 3.3** In the nominations attached in Appendix 2A, Pat Thornton has expressed a wish to continue her role as one of the council's representatives on the Cleeve Common Trust following her retirement from the council in May 2018.

4. Reasons for recommendations

- 4.1** It is in the interests of the council to ensure representation on all these bodies.

5. Alternative options considered

- 5.1** None

6. Consultation and feedback

- 6.1** Appendix 2A was circulated to Group Leaders on 8 May 2018.
