1. Background

1.1 Section 85 of the Local Government Act 1972 states that if a member of a local authority fails throughout a period of six consecutive months from the date of his/her last attendance to attend meeting of the Council or as a representative of the Council on an outside body, they shall, unless the failure was due to some reason approved by the Council before the expiry of that period, cease to be a member of the Authority.

1.2 The only exception is if their non-attendance has been approved by the Authority before the expiry of that period. Attendance can be at any committee or sub-committee, or at any joint committee, joint board or other body where the functions of the authority are discharged or who were appointed to advise the authority on any matter relating to the discharge of their functions.

1.3 Section 85 allows an authority to grant dispensation for such absence providing the dispensation is granted before the 6 month period of absence has expired. The next scheduled meeting of Council is 25 March which is after the expiration of this period.

1.4 It is possible that Cllr Flynn may be able to attend the Council meeting on the 18th February in which case the provisions of S85 will not be relevant at this time, but given her personal circumstances, this cannot be guaranteed. If Cllr Flynn cannot attend it will be necessary to consider this matter.

2. Reasons for recommendations

2.1 Councillor Wendy Flynn has been unable to attend meetings recently due to personal reasons. The last meeting she attended was the extraordinary Council meeting on 11 September 2018. Councillor Flynn has continued to undertake some casework and attend meetings of the Neighbourhood Forum when she has felt able, however, she has found it impossible to attend Council related meetings.

2.2 Under the circumstances it is requested that Council approve an extension of the 6 month rule for Councillor Flynn until 31 May 2019 and the Council’s best wishes be conveyed to her.

2.3 Should Council approve the extension that decision would not prevent Councillor Flynn from returning to meetings at any time prior to that date if matters improved.

3. Alternative options considered

3.1 Not seeking an extension of the 6 month rule. However, this was not considered an appropriate option in the circumstances. My view is that in the circumstances presented here the Council would be acting reasonably in approving the recommendation for a period of time which enables Councillor Flynn to return to her councillor duties.

4. Consultation and feedback

4.1 The Mayor has been consulted with in accordance with the Part 4A Rule 2.8 (m) of the Council’s Constitution with regard to consideration of this matter under the urgency provision. Group Leaders have been consulted and are supportive of the recommendation.

5. Performance management –monitoring and review

5.1 Democratic Services will continue to monitor the attendance at meetings of all Members through the Modern.gov system.
