

Petition Scheme for Cheltenham Borough Council

Petitions

Anyone who lives, works or studies in the district may petition the Council or the Cabinet about any matter which causes concern to them and affects the Borough.

Petitions can be posted to **Democratic Services, Cheltenham Borough Council, Municipal Offices, Promenade, Cheltenham, GL50 6SA**, submitted via email to democratic.services@cheltenham.gov.uk, or created and submitted online through our [e-petition scheme](#).

If you would like to present your petition to the Cabinet or Council, or would like your councillor or someone else to present it on your behalf, please contact Democratic Services on **01242 264246** or via email at least **3 working days** before the meeting.

The council welcomes petitions as a way in which people can let us know their concerns. All petitions sent or presented to the council will receive an acknowledgement from the council within **10 working days** of receipt, setting out what we plan to do. We will treat something as a petition if it is identified as being a petition, or if it seems to us that it is intended to be a petition. Petitions received within an existing period of public consultation by the Council will be considered as part of that consultation.

Any petitions can be presented to a meeting of the Council or Cabinet. Council meetings take place 8 times per year and Cabinet meets monthly. Dates and times of meetings can be found at www.cheltenham.gov.uk.

Petitions submitted to the council must include:

- a clear and concise statement covering the subject of the petition. It should state what action the petitioners wish the council to take.
- the name, address and signature of any person supporting the petition. You are deemed to have 'signed' an e-petition if you have added your name and address.

Petitions should also be accompanied by contact details, including an address, for the petition organiser. The contact details of the petition organiser will **not** be placed on the website. Whenever the Council receives a petition, the Mayor shall determine to whom the petition is to be passed. Whenever the Cabinet receives a petition, the Leader shall determine to whom the petition is to be passed. That person or body shall ensure that a detailed response is sent to the organiser or presenter of the petition. If such a person cannot easily be identified, the first signatory will be contacted instead.

Any person registered as a local government elector for the Borough may, in presenting a petition, speak about it for no more than five minutes. This is provided that they have delivered a written statement to Democratic Services at least **3 working days** before the meeting, as well as that the petition relates to a policy matter and is signed by at least ten local government electors for the Borough. If the Chief Executive considers the petition not to fall within the responsibilities of the Council, deals solely with business that relates to Confidential or Exempt Information, or is otherwise inappropriate, they will determine that the petition shall not be presented and notify the petitioner accordingly.

We will not take action on any petition which we consider to be vexatious, abusive or otherwise inappropriate and will explain the reasons for this in our acknowledgment of the petition. In responding to a petition the council will also take into account the timeliness of the issue. In the period immediately before an election or referendum we may need to deal with your petition differently – if this is the case we will explain the reasons and discuss the

revised timescale which will apply. We do not accept a petition that relates to a decision of Council or a committee made in the previous six months and has been subject to public consultation.

How will the council respond to petitions?

An acknowledgement will be sent to the petition organiser within **10 working days** of receiving the petition. It will let them know what we plan to do with the petition and when they can expect to hear from us again. It will also be published on our website.

If we can do what your petition asks for, the acknowledgement may confirm that we have taken the action requested and the petition will be closed. If the petition has enough signatures to trigger a council debate, or a senior Officer giving evidence, then the acknowledgment will confirm this and tell you when and where the meeting will take place. If the petition needs more investigation, we will tell you the steps we plan to take.

Our response to a petition will depend on what a petition asks for and how many people have signed it, but may include one or more of the following:

- taking the action requested in the petition
- considering the petition at a council meeting
- holding an inquiry into the matter
- undertaking research into the matter
- holding a public meeting
- holding a public consultation
- holding a meeting with petitioners
- referring the petition for consideration by one of the council's scrutiny and review committees
- calling a referendum
- writing to the petition organiser setting out our views about the request in the petition

If the petition applies to a planning or licensing application, is a statutory petition, or is on a matter where there is already an existing right of appeal, such as council tax banding and non-domestic rates, other procedures apply. Further information on all these procedures and how you can express your views is available at www.cheltenham.gov.uk.

To ensure that people know what we are doing in response to the petitions we receive, the details of all the petitions submitted will be published on our website, except in cases where this would be inappropriate. Whenever possible we will also publish all correspondence relating to the petition, with personal details removed.

Specific subjects

In addition to these steps, the council will consider all the specific actions it can potentially take on the issues highlighted in a petition. The table below gives some examples.

Petition subject	Appropriate steps
Alcohol related crime and disorder	If your petition is about crime or disorder linked to alcohol consumption, the council may among other measures, consider the case for placing restrictions on public drinking in the area by establishing a designated public place order or, as a last resort, imposing an alcohol disorder zone. When an alcohol disorder zone is established the licensed premises in the area where alcohol related trouble is being caused are required to

	<p>contribute to the costs of extra policing in that area. The council's response to your petition will set out the steps we intend to take and the reasons for taking this approach</p>
<p>Anti-social behaviour (ASB)</p>	<p>As the elected representatives of your local area and authority, the council plays a significant role to play in tackling anti-social behaviour. The council, in conjunction with our partners in the local crime and disorder partnership have set out minimum service standards for responding to issues of anti-social behaviour, you can find more details about these standards at www.cheltenham.gov.uk.</p> <p>When responding to petitions on ASB, we will consider in consultation with our local partners, all the options available to us including the wide range of powers and mechanisms we have to intervene as part of our role as a licensing authority. For example, we may work with the neighbourhood policing team in the affected area to identify what action might be taken including what role CCTV might play, consider identifying a dedicated contact within the council to liaise with the community and neighbourhood partners on issues of ASB in the area in question and, where appropriate, we will alert the crime and disorder reduction partnership and Gloucestershire County Council Community Safety Scrutiny Committee to the issues highlighted in the petition.</p>
<p>Under-performing health services</p>	<p>We may work with local health partners to consider the matter raised in the petition including, where appropriate, exploring what role the Local Involvement Network (LINK) might have in reviewing and feeding back on the issue (the LINK is run by local individuals and community groups and independently supported – their role to find out what people want in terms of local health services, monitor those services and to use their powers to hold them to account). The health overview and scrutiny committee will also be alerted to the petition and where the matter is sufficiently or potentially serious, the issue will be referred to them to consider for review.</p>

If your petition is about something over which the council has no direct control (for example the local railway or hospital) we will consider making representations on behalf of the community to the relevant body. The council works with a large number of local partners and where possible will work with these partners to respond to your petition. If we are not able to do this for any reason (for example, if what the petition calls for conflicts with council policy), then we will set out the reasons for this to you. You can find more information on the services for which the council is responsible at www.cheltenham.gov.uk.

If your petition is about something that a different council is responsible for we will give consideration to what the best method is for responding to it. This might consist of simply forwarding the petition to the other council, but could involve other steps. In any event, we will always notify you of the action we have taken.

Council debates

If your petition has received **750 signatures or more** it will also be scheduled for a council debate which will take place at a full Council meeting, unless it is a petition asking for a senior council Officer to give evidence at a public meeting. This means that the issue raised in the petition will be discussed at a meeting which all councillors can attend. The council will endeavour to consider the petition at its next meeting, although on some occasions this may not be possible and consideration will then take place at the following meeting. The petition organiser will be given **5 minutes** to present the petition at the meeting and the petition will then be discussed by councillors for a maximum of **15 minutes**. The Council will decide how to respond to the petition at this meeting. They may decide to take the action the petition requests, not to take the action requested for reasons put forward in the debate, or to commission further investigation into the matter, for example by a relevant committee. Where the issue is one on which the Council's Executive is required to make the final decision, the Council will decide whether to make recommendations to inform that decision. The petition organiser will receive written confirmation of this decision, which will also be published on our website.

Officer's evidence

Your petition may ask for a senior council Officer to give evidence at a public meeting about something for which the Officer is responsible as part of their job. For example, your petition may ask a senior council Officer to explain progress on an issue, or to explain the advice given to elected members to enable them to make a particular decision.

What can I do if I feel my petition has not been dealt with properly?

If you feel that we have not dealt with your petition properly, the petition organiser has the right to request that the Council's Overview and Scrutiny Committee review the steps that the council has taken in response to your petition. It is helpful to everyone, and can improve the prospects for a review if the petition organiser gives a short explanation of the reasons why the council's response is not considered to be adequate.

The Committee will endeavour to consider your request at its next meeting, although on some occasions this may not be possible and consideration will take place at the following meeting. Should the Committee determine we have not dealt with your petition adequately, it may use any of its powers to deal with the matter. These powers include instigating an investigation, making recommendations to the Council's Executive and arranging for the matter to be considered at a meeting of the Council.

Once the appeal has been considered the petition organiser will be informed of the results within **5 working days**. The results of the review will also be published on our website.

NOTE:

Under the new General Data Protection Regulations we are required to advise you why we collect your name and address. Please read our [privacy statement](#) for more information.
