**Executive summary**  
Business Rate relief schemes have been in place since the 2017 revaluation and retail discounts were introduced in 2019/20. These schemes are now being updated for 2020/21. In addition the government is introducing a new relief scheme for pubs in 2020/21. The reliefs are to be awarded using the Council’s discretionary powers and approval is also being sought to continue these reliefs in accordance with the Government guidance and funding.

**Recommendations**  
Cabinet is recommended to

1. Approve the increase in the business rates retail discount scheme for 2020/21 as detailed in appendix 2 and the detailed guidance in appendix 3
2. Approve the local discretionary revaluation support scheme for 2020/21 in accordance with section 2 of this report and appendix 2
3. Approve the continuation of the Supporting Small Businesses Relief Scheme in accordance appendix 2
4. Approve the Pub Discount scheme for 2020/21 in line with appendix 2 and the detailed guidance in appendix 4
5. Authorises the Executive Director Finance and Assets, in consultation with the Cabinet Member Finance, to reset the percentage relief level for local revaluation support in respect of 2020/21 if necessary
6. Due to the volume of cases, delegate decisions relating to the application of these reliefs to the Head of Revenues and Benefits and officers in the Business Rates team. In the case of a dispute reconsideration is to be made by the Executive Director Finance and Assets.
| Financial implications | As detailed within the report and appendices Central government will fully reimburse local authorities for the local share of the retail discounts provided the Council uses its powers to grant them in accordance with the guidance. With regards to local revaluation support, the Government has allocated a specific sum of money to billing authorities for each of the four years 2017/18 to 2020/21 to fund a locally designed relief scheme as set out in para 2.1.

| Legal implications | The Council has statutory power to award discretionary rate relief under S47 of the Local Government Finance Act 1988 (as amended by S69 of the Localism Act 2011).  
The cost of relief to the Local Authority can be recovered from the Government by way of grant under Section 31 of the Local Government Act 2003. The government must establish a discretionary scheme for administering the relief to access this funding.  
Providing discretionary relief is likely to amount to State Aid and as such the relief should be awarded in accordance with the De Minimis Regulations, and an undertaking must advise the Council if they have received any other State Aid that exceeds a total of €200,000 in a 3 year period.

1. **Retail Discounts**

1.1 In the budget statement on 29 October 2018 the Government announced that it would provide business rates discounts for retail properties for the financial years 2019/20 and 2020/21.

1.2 In 2019/20 the discounts apply to occupied properties being used for retail purposes with a rateable value of less than 51,000. The value of discount is one third of the full rates payable, to be applied after other reliefs.

1.3 Retail discounts totalling just over £900,000 have been awarded to 300 businesses in 2019/20.

1.4 The Government has confirmed that for 2020/21 the level of discount is being increased to 50% of the rates payable after all other reliefs and extended the criteria to include music venues and cinemas.

1.5 In addition to the cinemas and music venues being added for 2020/21 the discount is available to shops, bars, pubs, café’s, restaurants, coffee shops and takeaways. It also includes those properties being used for services such as travel agents, hairdressers, dry cleaners and shoe repairs. A list of the types of retail purposes is in the guidance in appendix 3.

1.6 As these are a temporary measure, the government is not changing business rates legislation; it expects billing authorities to use their discretionary relief powers under section 47 of the Local Government Finance Act 1988, amended by the Localism act, to adopt a scheme to grant the discounts using the detailed guidance provided which is in appendix 3. Administration and State Aid in sections 5 and 6 of appendix 2 will also apply to this relief.

1.7 The Government will fully fund the local share of retail discounts awarded, provided the Council uses its powers to grant relief in accordance with the eligibility criteria in the guidance.

1.8 The discounts are subject to state aid rules so larger businesses with multiple outlets will not qualify.

1.9 The 50% discount will be included on bills for 2020/21 being issued in March 2020.

2. **Local Revaluation Support 2020/21**

2.1 Local Revaluation Support has been available since 2017/18 to help businesses facing large increases in rates bills due to the 2017 revaluation. The Government allocated a specific sum of money to billing authorities for each of the four years 2017/18 to 2020/21 to fund a locally designed relief scheme. This Council was allocated the following amounts:

2.2 As the revaluation support scheme is intended to provide relief to businesses that faced increased bills due to the revaluation, relief will only available to businesses that have qualified continually since 2017/18.

2.3 220 businesses have benefited from support in 2019/20.

2.4 2020/21 is the final year of funding for Local Revaluation Support Relief with just £7,700 being available to distribute to businesses.

2.5 In 2020/21 businesses in receipt of any other mandatory or discretionary reliefs, including those funded by the Government will be excluded from this scheme. This leaves about 120 businesses to share the £7,700.

2.6 The relief awarded will be calculated at 0.35% of the net rates payable after all reliefs

2.7 Approval is being sought to award the relief in line with the funding available and the scheme conditions in appendix 2.

2.8 Authority is also being sought for the Executive Director Finance and Assets, in consultation with the Cabinet Member for Finance, to reset the actual percentage to be applied, should it be necessary to ensure the maximum funding is distributed to businesses.

3. Relief for Businesses losing Small Business Rate Relief

3.1 This relief is available to help those ratepayers who as a result of the 2017 revaluation lost all or some of their small business rate relief and faced large increases in bills.

3.2 The relief limited the increase in 2017/18 to the greater of 5% or £600. It then reduced each year.

3.3 The relief in 2020/21 is a continuation of the scheme since 2017/18 and is the final year.

3.4 The relief is funded by the Government and will be awarded in line with the detailed guidance using the Council’s discretionary powers. Sections 5 and 6 on State Aid and Administration in Appendix 2 will also apply to this relief.

4. Pubs Discount 2020/21

4.1 On 22 January 2020 the Government announced its intention to provide a £1,000 business rate discount to pubs.

4.2 The discount is a one year measure for 2020/21 only and will apply to pubs with a rateable value of less than £100,000, subject to state aid rules.

4.3 The discount will be fully funded by the Government and is to be awarded in line with the detailed guidance in Appendix 4 using the Council’s discretionary powers. Sections 5 and 6 on State Aid and Administration in Appendix 2 will apply to this relief.

4.4 The business rates team are identifying pubs likely to qualify for this discount, subject to state aid rules. The discount will be applied to business rates bills.

4.5 The business rates team are identifying eligible businesses but most likely will be asked
to verify that they are not in receipt of any other state aid that would mean they exceed the current limits

5. **Alternative options considered**

5.1 Government funding is available for all of the reliefs in this report. In respect of Revaluation support, funding is limited to the stipulated amount. If the policy is not approved and implemented the funding must be returned to the Government.

5.2 In respect of the other reliefs Government expects billing authorities to grant these reliefs to qualifying ratepayers and will fully reimburse the Council for its share of the cost of reliefs awarded in line with the guidance. If the policy is not approved and implemented the funding must be returned to the Government.

6. **Consultation and feedback**

6.1 Gloucestershire County Council as a precepting authority receiving funding via the business rates retention system were consulted on the revaluation support scheme through the countywide Chief Finance Officer group.

7. **Performance management –monitoring and review**

7.1 The number of businesses benefiting from these relief schemes and the total amount awarded will be monitored by the Head of Revenues and Benefits.

7.2 A review will be undertaken during each year to ensure the maximum funding is being allocated to businesses.

(1 being almost impossible, 2 is very low, 3 is low, 4 significant, 5 high and 6 a very high probability)
