Dear Sir/ Madam

RE: Premises licence - 12 Royal Crescent, Cheltenham, GL50 3DA 20/00844/PRMA

We are writing to register our objection to the application for a premises licence by Mr Phil Vickery for 12 Royal Crescent Cheltenham, GL50 3DA. The application proposes that sale/ supply of alcohol will be sold for consumption both Indoors & Outdoors between 8.00am and 11.00pm, seven days a week.

Granting a license will provide a further source of alcohol within an area already heavily populated with licensed premises. Residents in this area already suffer noise nuisance and antisocial behaviour, especially evenings and weekends due to these licensed premises. I realise that there are a number of commercial dwellings on the Royal Crescent that won't be impacted by this license however there are a number of residential dwellings both on the Crescent and within close proximity of the Crescent that will. A retirement home (John Dower House) has also recently opened within this proximity.

The property I live in, was a commercial property up until 2016, however following a 'change of use' application, permission was granted by Cheltenham Borough Council to change to a residential dwelling, I am aware that 18 Royal Crescent were also granted permission for a change of use to a Residential dwelling. Increasing the number of licensed premises and approving this application does not respect these decisions.

Further sources of alcohol in this area will have a negative impact on my family's quality of life within our home. There are a number of other residential dwellings that will also be negatively impacted in this same way which is totally unacceptable and unfair.

In view of the above I urge the licensing authority to refuse the application.

Yours faithfully
