**Reasons for comment:**

**Comments:** 10:40 AM on 14 Jul 2020 Jessop Avenue is a street of Offices a school playground and 1 residential block. It is a cul de sac. There is limited parking on the street and not enough parking for all of the office blocks that are there now.

New licensed premises would bring much more traffic down the road. Licensing into the evenings and late night would bring much more traffic and noise into the area. There are so many empty premises in town already. Noise and traffic in the evenings and weekends would greatly spoil the area.
