## Variation

Do you want the proposed variation to have effect in relation to the introduction of the late night levy? (Please see Guidance Note 1)\*

No

Briefly describe the nature of the proposed variation. (Please see Guidance Note 2) \*

For the safety and wellbeing of guests and team members in compliance with Government social distancing restrictions imposed at re-opening, 131 has fundamentally altered its operating model to ensure a safe re-opening as per guidelines but has seen a reduction of revenue capability by 65%. In order for us to maintain employment levels (80+ people) we are seeking a modest extension to the outside licensed hours at the rear of the property only so that we can facilitate extra safe areas to trade.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, please state the number.
