

November Planning Committee

19th November 2020

20/01010/FUL & LBC – St Mary's Mission, High Street

Proposed works:

- To change the colour of the 2 main entrance gates (Lower High Street and Market Street and attached entrance railings from black to RAL 6000, and also of the entrance archway to the adjacent Honeybourne Line.
- To remove the railings around St Mary's Mission Hall.

The application is at planning committee as CBC are the land owner and the applicant.
