

## **Appendix 5 - Additional Conditions to be added to the Pool of Standard Conditions that may be imposed for a Street Trading Consent**

The Councils Street Trading Consent Notice shall be conspicuously displayed on the stall, barrow, cart etc, to which the Consent applies, so that it is clearly visible to the public.

The Consent Holder(s) shall notify the Licensing Section within 72 hours of any convictions or proceedings arising out of the use or enjoyment of the Consent.

If Trading is to take place on private land, the trader must have written permission from the Land Owner that trading can take place.

Goods may not be of an inflammable, corrosive or otherwise dangerous nature.

The trader will be responsible for cleansing of the trading area and ensure that all refuse arising as a result of the activities of the trader shall be placed in suitable covered containers provided by the trader, unless otherwise provided by the Council, and shall be kept exclusively for that purpose. Such refuse containers shall be kept as clean as is reasonably possible and disposed of in an approved manner on a daily basis.

The trader shall not place on the street or in a public place any furniture or equipment other than as permitted by the Consent and he must maintain the same in a clean and tidy condition and not place them so as to obstruct the entrance or exit from any premises.

Traders selling food products, shall comply with the provisions of the Food Safety Act 1990 (Amendment) Regulations 2004, General Food Regulations 2004, Regulations (EC) No. 178/2002, 852/2004, 853/2004 of the European Parliament and of the Council and the Food Hygiene (England) Regulations 2006

Liquefied Petroleum Gas shall not be used without the express permission of the Council and any equipment using this gas shall have only flexible and approved armoured hoses complying with the relevant British Standard Specification or equivalent.

No mobile generators shall be used without the express permission of the Council. Where permission is granted generators shall be so positioned that: - they do not present a danger to the public do not present a fire or similar hazard to the stall, goods displayed thereon or adjoining premises and do not cause any noise or fume nuisance.

A competent person must install all generators and documentation must be provided to show that the generators have been maintained in accordance with the manufacturer's instructions.

No combustible materials are to be stored in the vicinity of a generator and suitable first aid fire fighting appliance(s) must be immediately available.

The Consent Holder shall ensure that any equipment, such as a generator, is in a safe working condition and suitably cordoned off to ensure that the General Public do not have access to the equipment.

All electric power supplied must be protected by residual current devices. Any appliance is to be separated from the supply outlet by a fuse of suitable rating.

## **Appendix 5 - Additional Conditions to be added to the Pool of Standard Conditions that may be imposed for a Street Trading Consent**

All electrical cables or flexes, which are suspended over the public footway or carriageway, shall be adequately supported.

All electrical cables or flexes, which run along the ground and are in a position where the public could come into contact with them, must be fitted with rubber cable protecting mats.

Each consent holder must ensure that their street trading licence plate is clearly attached to their pitch, vehicle or trading object at all times when they are trading.
