1. Background

- 1.1 The Audit Plan for 2021/22 was approved by this Committee on 21st April 2021. The role and responsibilities of Internal Audit reflect that it is there to help the organisation to achieve its objectives, part of the plan has been aligned to elements of this strategy. However, to inform the audit plan we have also reviewed other key documents, such as the Medium-Term Financial Strategy, change programme agendas and updates to the business plan, many of which contain risk assessments
- 1.2 In order to satisfy the requirements of the Public Sector Internal Audit Standards (PSIAS) and to reflect changes within the Council, SWAP needs to focus upon areas where the organisation now requires assurance. This reinforces the requirement for Internal Audit to follow a more flexible and risk-based plan.
- 1.3 There is also a benefit to supporting the work of the External Auditor (Grant Thornton). This is in the form of financial and governance audits to support such activities as value for money.

2. Reasons for recommendations

- 2.1 This report highlights the work completed by Internal Audit and provides comment on the assurances provided by this work.

3. Internal Audit Output

- 3.1 The Internal Audit Service is provided to this Council through SWAP Internal Audit Services (SWAP). SWAP is a locally authority-controlled company.
- 3.2 The SWAP report attached at **Appendix 1**, sets out the work undertaken by SWAP for the Council since the Committee's last meeting. It follows the risk-based auditing principles, and, therefore, this is an opportunity for the Committee to be aware of emerging issues which have resulted in SWAP involvement.
- 3.3 Officers from SWAP will be in attendance at the Committee meeting and will be available to address Members' questions.
