# Flag Pole Details

## Flanged base plate with hinged (steel base)

(cast aluminium up to 8m)

The flagpole will be 8 metres in height manufactured from a single piece white powder coated aluminium tube (includes internal halyard and white finial). Flag pole tube size (O/D) – 114mm at the base, narrowing to 60mm at the top. The foundation will consist of 800x800x1000mm deep concrete with hinged based plate for ease of maintenance.
