RE: Breach of conditions - Sex Establishment Licence Ref No: **23/01946/SEXR**

Sexual Establishment licence for Eroticats, Under the Prom (UTP), 109 Promenade, Cheltenham, GL50 1NW.

I write to inform you that following routine licence inspections at UTP during the March 2024 race week, the following breaches of conditions in regards to Sex Establishment Licence Ref No: **23/01946/SEXR** were identified.

- On Tuesday 12th March at approximately 23:10hrs physical touching took place in the performance area. This is a clear breach of conditions 18 'During any performance there must be no physical contact between the performer and any member of the viewing public'
- On Tuesday 12th March at approximately 23:30hrs, physical contact was made between two performers. This is a clear breach of licence condition 25 'Any bodily contact between entertainers or performers or any movement that indicates sexual activity or simulated sex between entertainers or performers is strictly forbidden'.
- On Wednesday 13th March at approximately 23:55hrs physical touching took place in the performance area. This is a clear breach of conditions 18 'During any performance there must be no physical contact between the performer and any member of the viewing public'

When these licence condition breaches took place, I spoke with [REDACTED] and provided an apprise of these breaches. Over the course of the week you did explain and show me procedures you have added to try and negate any further breaches these were:

- Lights inside the performance booths turned up brighter - clearer to see inside the booths
- More security / staff monitoring in the corridors performance booth's area's
- All performers had the condition around no touching of any kind being allowed in performance area reiterated to them and informed to stay behind the marked line inside each booth
- Performers that had breached the conditions had their contracts terminated.

Due to your previous good compliance record, on this occasion I have agreed with CBC (Cheltenham Borough Council) Licensing Team that this written warning letter will suffice and remain on file for record purposes for a period of 12 months, this may be used as evidence should any future breaches occur.

Should you wish to discuss this matter further please don't hesitate to contact myself or CBC Licensing Team at licensing@cheltenham.gov.uk.

Yours Sincerely,
