

SCRUTINY REVIEW – ONE PAGE STRATEGY

FOR COMPLETION BY THE OVERVIEW AND SCRUTINY COMMITTEE			
Broad topic area	Events in the town		
Specific topic area	'Events Submission' – consider the draft process from Officers, develop, approve and recommend for adoption		
Ambitions for the review	 Understand the requirement for organisers of events which do not form part of the Cheltenham Festivals programme which are likely to or will impact more broadly on the environment of Cheltenham, to prepare an 'event submission' Recommend ways that this process could be improved, to include criteria for the identification of a 'major' event and timescales Apply the process retrospectively to assess its effectiveness A long term ambition for the review is to establish a Cheltenham based 'safety advisory group' 		
Outcomes	Develop a robust process by which the impact and their requirements of a proposed event in the town can be considered to safeguard our communities and the town's reputation
