Key Decision	No
Executive summary	Council agreed the corporate strategy 2010-2015 in March 2010 which sets out our 5 objectives and 11 outcomes and what we want to achieve by 2015. The 2013-14 action plan is being prepared and is due to go to full council for approval on 25 March 2013.
Recommendations	To endorse the draft corporate strategy action plan for 2013-14 ahead of it going to full council for final approval (appendix A.)
Financial implications	<i>None as a direct result of this report. The corporate strategy has been developed alongside the Medium Term Financial Strategy to ensure that there are sufficient budgets in place to deliver the outcomes as proposed. In addition, the corporate strategy will be reviewed on an annual basis to take into account our changing budgetary position.</i> Contact officer: Paul Jones, Head of financial services E-mail: paul.jones@cheltenham.gov.uk Tel no: 01242 775154
Legal implications	<i>The corporate strategy 2010-2015 is the “corporate strategy” for the purposes of the Local Authorities (Functions and Responsibilities) Regulations 2000. The Executive is responsible for preparing the plans which must then be submitted to and approved by council.</i> Contact officer: E-mail: legalservices@tewkesbury.gov.uk@cheltenham.gov.uk Tel no: 01242 775207
HR implications (including learning and organisational development)	<i>Capacity to deliver the strategy must remain a key focus for the senior leadership team. Effective forward planning, use of project management techniques, re- prioritising work streams are some of the tools available to ensure resource to deliver the strategy is achieved.</i> Contact officer: Amanda Attfield, Director - People, Organisational Development and Change E-mail: amanda.attfield@cheltenham.gov.uk Tel no: 01242 264186

Key risks	<p>We recognise that if the council does not establish prioritised, realistic and achievable ambitions there will be continued pressure on organisational capacity and staff to maintain core services, and an external perception of poor performance due to over ambitious or ill-informed planning.</p> <p>The Senior Leadership Team is responsible for the management of the risks associated with the delivery of the corporate strategy and where appropriate, risks are included on the corporate risk register.</p> <p>Elected members will have oversight of the corporate risk register through the new scrutiny arrangements and through Audit Committee.</p>
Corporate and community plan Implications	The corporate strategy sets out the framework for our corporate priorities.
Environmental and climate change implications	The corporate strategy sets out the council's commitment to reducing carbon emissions and adapting to the impacts of climate change.

1. How we have prepared the draft strategy

- 1.1 The Senior Leadership Team and cabinet members have discussed the following:
- The significant resource that will be required to deliver the reviews and projects that we are already committed to means that we need to prioritise and push back or delay projects where there is no compelling need nor potential to deliver savings.
 - The corporate strategy needs to be specific and realistic in what the council can achieve given this resource challenge. We will therefore need to identify proposed resource requirements.
- 1.2 In the light of the concerns about capacity and resources, the following directors have taken a formal role in preparing the draft action plans and have met accordingly with project leads and liaised with cabinet leads.

- 1.3 As part of this, Senior Leadership Team met on 29 January to review the prospective resource requirements required to deliver the 2013-14 corporate strategy and existing "business as usual" requirements. Particular pinch points were noted for Urban Design, the Joint Core Strategy team and GO Shared Services. SLT were asked to revisit the 'pinch points' identified in the document and take forward action as appropriate.

2. Input from partnerships

2.1 Cheltenham Partnerships have undertaken a piece of work to identify the most-pressing issues for partnership activity where there is both corroborating data/evidence and a willingness from partners to work collectively on solutions but also where there is alignment with priorities set at a county level eg by the Police and Crime Commissioner, the Health and Wellbeing Board, the Children's Partnership and the Local Enterprise Partnership. The list, which is planned to be endorsed by the Strategic Leadership Group on the 8th March, is as follows:

- We will work to reduce the negative effects of poverty on vulnerable children, families and adults and ensure that vulnerable children and young people lead healthy lives and are safe from injury, exploitation and harm – **see planned improvement action COM15**
- We will work to reduce the harm that alcohol causes within communities, families and to individuals - **see planned improvement action COM1**
- We will work to identify and support vulnerable people living in private rented sector accommodation - **see planned improvement action COM6**
- We will work in partnership to reduce risks to young people from excess alcohol and substance misuse, unemployment, and unhealthy lifestyles through enabling access to a diverse range of good quality community-based advice and support - **see planned improvement action COM16**
- We will work in partnership to reduce risks to older people from dementia, social isolation, fuel poverty and hip fractures through helping to create communities that are more caring to older people. - **see planned improvement action COM11**
- We will work in partnership to tackle significant and/or emerging crime trends - **see planned improvement action COM2**
- We will inspire more people to get actively involved in their communities so that we co-create stronger, safer, healthier and more resilient communities across the whole borough that are also tackling the priority issues identified above, learn and applying knowledge from the ABCD learning sites. - **see planned improvement action COM14**
- We will work to create a strong and sustainable economy - **see planned improvement action ECD2**

4. Consultation and feedback

4.1 The draft action plan has been considered by the Overview and Scrutiny committee on 18 February.

Comment	Response
<p>Comments from O+S 18.2.13</p> <ul style="list-style-type: none"> ▪ Would make more sense for scrutiny to consider the corporate strategy and budget together to ensure that they are aligned. 	Suggestion to bring an early draft of the priority actions to Scrutiny in December, then a more detailed report in February.
<ul style="list-style-type: none"> ▪ Would like more information on what is planned to commemorate the First World War Centenary. 	More information to be supplied to elected members once national plans are clearer.
<ul style="list-style-type: none"> ▪ Missing baselines and targets make it difficult to assess whether proposals are robust 	Missing baselines and targets are being completed.
<ul style="list-style-type: none"> ▪ A request for more information about the Prince of Wales feasibility study 	A verbal summary was given at the meeting.
<ul style="list-style-type: none"> ▪ A request for CBH to be more involved in the Joint Core Strategy process 	Request given to Head of Planning for action.
<ul style="list-style-type: none"> ▪ A request for more substance in the arts and culture section 	Noted; the 4 planned improvement actions do represent a significant commitment of resources, so no additional actions are planned for the corporate strategy. However, cabinet members and SLT will continue to look at other opportunities of delivering this outcome.

5. Next Steps

- 5.1 If Cabinet are happy with the updated strategy, it will go to a meeting of the Full Council on Monday 25th March for approval.
