												Cumulative savings over 8 years from May 2016 to April 2024							£208,250	
												Av saving per annum							£26,031	
													Notes)20 the easts t	or a full car	noil alactic	n combined	Ludith a DO	Calcation	have been reduced
												1. In 2020 the costs for a full council election combined with a PCC election have been by a further £15,000 when there is a parliamentary election at the same time.								
												Similarly the costs for a half borough election have been reduced.								
												There are no fixed dates for parliamentary elections but the current coalition government								
												is currently committed to a fixed term parliament of 5 years.
