

I am writing with regards to a speeding offence  
by Samir Jamshidi a Taxi driver of Cheltenham  
Borough council on that he exceeded  
the speed limit on the M6 from Preston to the  
Moreton-in-Marsh Fire Service College

I personally put pressure on the driver to go faster  
as I was in a rush to meet my destination

Therefore I feel I am to blame for his fault

I do not wish to harm his ~~job~~ livelihood

his job is extremely important

Yours sincerely
